WELCOME TO REELFOOT LAKE!

We thank the Lord for the opportunity to hunt and enjoy waterfowling on this wonderful creation....some say the 8th Wonder of the World. Reelfoot Lake was formed by the great earthquake of 1811. The Mighty Mississippi River

flowed backwards south to north to overflow and flood the swamp grounds of which now we know as Reelfoot Lake. We are in the heartbeat of the

Mississippi Flyway which also receives waterfowl from the Atlantic Flyway. During the waterfowl season, the migration of ducks consists of 300,000 plus, at times, in the Reelfoot region of Northwest Tennessee. We also offer corporate/private hunts on a privately owned duck club; flooded corn fields and timber hunts available.

Reelfoot Duckmasters is giving away a 2 day, 2 person duck hunt at this year's expo. This hunt includes lodging and 2 meals, but licenses are not included.

JERRY HILL LONGBOW

Jerry Hill is the adopted son of Howard Hill, who was known as the "World's Greatest Archer." He achieved this title by completing all of the archery shooting in "The Adventures of Robinhood". Jerry's lifelong heritage goal is to keep the Hill name "on top" in the sport of archery. Jerry prides himself on being part American Indian. His official Indian name is Bik-A-Tsoh; in English it means "Big Arrow."

Jerry's early archery skills can be seen on YouTube, where he is shooting on National TV's "You Ask For It." Jerry has also manufactured & sold archery equipment, all over the world. However, he is now retired and spends most of his time writing and sharing stories on his Facebook page "Jerry Hill Longbow." He has written over 100 stories about his life and his heritage.

Come out to this year's World Deer Expo and meet Jerry Hill. He will be walking around the expo, dressed in his buckskin suit and American Indian Headgear. Alabama's own legendary archery native's son, won't leave you disappointed.

David "Barney" Mitchell, The One Bullet Deputy

David "Barney" Mitchell, The One Bullet Deputy, has been a long-time fan of the

Andy Griffith Show. He began receiving comments on how much he favored Barney Fife both in his appearance and his mannerisms. David began studying the life and character of Mayberry's one bullet deputy. In 2002, he launched his career as a Barney Fife impersonator. Since that time, he has entertained thousands of people in many different venues such as The World Deer Expo, the World of Wheels, the

Alabama State Fair, concert halls, charity events, on cruise ships, as well as festivals

all over the Southeast. He has also done several radio and television appearances. Wherever David performs he brings with him all the passion and charisma it takes to portray Mayberry's most beloved character, Barney Fife. Gene Stallings hit the nail on the head when he commented, "Hey, you're right out of Mayberry!"

Barney will be outside of the entrance doors to the expo, to entertain and inform the attendees as they wait for the doors to open.

Be on the lookout for The One Bullet Deputy, in the front lobby of the World Deer Expo.
