Hannah is an avid outdoor enthusiast and is authentic to the core. Her unfiltered approach to social media has garnered the trust of millions, as she has taken them on one incredible experience after the other over the years.

She grew up in a small community in south Alabama. Despite all of her world travels, she stays true to her rural roots.

On most days you can find her with her Dad, Jeff, and her dog Merle. Often, you will find Hannah and her dad building some new boxes for noodling or running a nail gun framing houses. The dynamic duo are always getting into something fun!

# TURTLEMAN

## CALL OF THE WILDMAN

Ernie Brown Jr., also known as Turtleman, starred in Call of the Wildman on Animal Planet. There was no critter in KY that Turtleman couldn't catch by hand. Snapping turtles is his specialty but coyotes, bobcats & otters he's caught too as well as other animals. Now he has a new show called Turtleman's Hunt for Bigfoot where Turtleman has actually seen and interacts with Bigfoot. Turtleman has a great tracking ability because he has spent his whole life in the backwoods. The Bigfoot show started after a 15 minute encounter with 2 Bigfoot in the woods. At the sighting,

Turtleman ducked behind a tree and watched the 9' silver Bigfoot call in what he thinks was the child (though it was about 6' tall and was a brownish blackish reddish in color). He thinks they were hunting deer at the time. After the Bigfoot walked over the hill and out of sight, Turtleman quickly drove home to get Turtle Gal. The two then began to track and film and so the series started. You can watch Turtleman's Hunt For Bigfoot on Turtleman Official Channel on YouTube. To add some humor to each show, the couple decided to gather some of their famous friends to do small clips called "Turtleman I think you're lost!" at the end of several of the episodes. Turtleman always likes to cheer people up and make them laugh. He also always adds that each person has a talent and that Jesus loves them and the Turtle Team loves them too. Yayaya LiveAction

## David "Barney" Mitchell, The One Bullet Deputy

David "Barney" Mitchell, The One Bullet Deputy, has been a long-time fan of the Andy Griffith Show. He began receiving comments on how much he favored Barney Fife both in his appearance and his mannerisms. David began studying the life and character of Mayberry's one bullet deputy. In 2002, he launched his career as a Barney Fife impersonator. Since that time, he has entertained thousands of people in many

different venues such as The World Deer Expo, the World of Wheels, the Alabama State Fair, concert halls, charity events, on cruise ships, as well as festivals all over the

Southeast. He has also done several radio and television appearances. Wherever David performs he brings with him all the passion and charisma it takes to portray Mayberry's most beloved character, Barney Fife.

Gene Stallings hit the nail on the head when he commented, "Hey, you're right out of Mayberry!"

*Barney will be outside of the entrance doors to the expo, to entertain and inform the attendees as they wait for the doors to open.*

*Be on the lookout for The One Bullet Deputy, in the front lobby of the World Deer Expo.*

Wild Wildebeest Lodge has donated a 5 day fully guided South African Hunting Safari. It will be a 2x1 hunt for 2-6 hunters (hunter being defined as someone who harvests a minimum of 2 animals) which includes all meals, beverages, lodging, the hunt, a guide, field transportation, & a \$1000 credit toward trophy fees. An additional \$2000 toward trophy fees will be offered if upgraded to a 10 day hunt at \$350/day/person for the extra five days. The hunters will be responsible for their airfare and for their ground transportation to and from the lodge, conservation fees, VAT (value added tax), dip and packing of the taxidermy if it is done in the US, gratuities, and all gear necessary for the hunt. The hunt can be taken anytime in 2023, or 2024 or 2025. This 5 day hunt give away is valued at \$15,000. If upgraded to 10 days, the donation is valued at \$17,000.

Of these 5 days, 1 day will include an afternoon of bird hunting (dove, francolin, and guinea fowl), which can be cooked over a hot fire and served while in camp.

With this donation, DDR Taxidermy in Powersville, Missouri is offering up to a \$500 credit per hunter toward taxidermy work done by their company (applied as 10% on shoulder mounts and 10% on European mounts - excludes back hides).
